

Francis C. Gillam BSc (Eng), CPA, EPA, RTMA Consultant

After graduating in Mechanical Engineering from Manchester University, Francis joined a large London firm as a trainee. Shortly before qualifying as a Chartered Patent Agent in the early Seventies, he joined founder Laurie Sanderson in Colchester where they built on the success of the business. Francis joined the partnership in 1982.

Qualifications

BSc (Eng) - Mechanical Engineering, University of Manchester - 1968

UK Chartered Patent Attorney - 1972

European Patent Attorney - 1978

European Trade Mark Attorney - 1986

Registered Trade Mark Attorney - 1979

Practice Areas

IP consultancy, IP strategy, patents especially in the engineering arts, trade marks, registered designs, copyright and unregistered design advice, domain disputes, oppositions.

Experience

Though Francis works primarily on engineering causes, he has had a life-long interest in electronics and handles work in this field and in the telecommunications industries. Francis retired from the partnership of Sanderson & Co. in November 2012, and now acts as a consultant both to the firm and privately.
