

James L. Sanderson BSc, CPA, EPA, ETMA Senior Partner

James, son of the founder, joined the firm in 1996 after completing his Honours degree in Molecular Biology and Biochemistry at Durham University. He achieved full qualification as a UK Chartered Patent Attorney in June 2001 and as a European Patent Attorney in 2003. He joined the partnership in 2002.

Qualifications

BSc - Molecular Biology & Biochemistry, University of Durham - 1996

UK Chartered Patent Attorney - 2001

European Patent Attorney - 2003

Practice Areas

IP consultancy, IP strategy, patents, trade marks, registered designs, copyright and unregistered design advice, domain disputes, oppositions.

Experience

His technical expertise lies in biotechnology and genetics but he also works extensively in the general mechanical and chemical patent matters, IT and the Internet. He devotes a substantial part of his time to trade mark work, including the resolution of domain name disputes and cyber-squatting, and handles accounts for clients ranging from individual inventors to blue chip companies.
